

HANDY ANTI-BACTERIAL CLEANER

Description

Ready to use bactericidal cleaning liquid in a handy spray pack.

Benefits and Features

Ready to use, high strength cleaner for use on kitchen surfaces and equipment, nursery furniture and toys etc. The product is characterised by high dirt & grease removal properties combined with superior biocidal action. Kills all the bacteria and flora commonly encountered in food preparation areas and effectively reduces the risk of cross-contamination.

Directions for Use

Spray directly onto the surface and scrub loose any debris. Wipe off excess product with a clean cloth or paper. The bactericide will remain active on the surface.

Hazards

No significant hazards will occur following the correct usage of this product.

Safety Phrases

- S2: Keep out of the reach of children.
- S25: Avoid contact with eyes.

Packaging

6 x 750ml plastic bottles with spray heads packaged in a strong cardboard outer.

SPD701

12

Storage: Avoid extremes of temperature.
Shelf life unopened approx. 1 year.

Precautionary phrases: Safety data sheet available for professional user on request.

Note: The regulatory information given above only indicates the principal regulations specifically applicable to the product described in the safety data sheet. The user's attention is drawn to the possible existence of additional provisions that complete these regulations. Refer to all applicable national, international and local regulations or provisions.
