

HEALTH & SAFETY DATA SHEET

Identification of the Substance/Preparation and Company

Product Name: Ajax Cream Cleanser

Supplier: VAB Chemicals
Unit 1 Amicable Street
Burslem
Stoke on Trent ST6 3BJ
Tel/Fax 01782 826300

Product Type: General purpose cleaner with abrasive.

Composition/Appearance: An opaque blue cream with floral perfume or yellow with citrus odour. A suspension of mild abrasive and blend of biodegradable detergents in an alkaline base.

Recommended Usage Instructions: Pour onto damp cloth and wipe surface to be cleaned. Rinse off and dry.

Specific Hazards/Handling Precautions: It is good practice when using such cleansers to rinse and dry hands after use. For continued use involving prolonged contact of the hands with the product, protection such as rubber gloves is recommended.

First Aid:

1. Product on the skin should be rinsed off with water.
2. Product in the eye may cause irritation; flush out thoroughly with water. If irritation persists seek medical attention.
3. If ingested, rinse out mouth with water. Do not induce vomiting. Large quantities may cause gastrointestinal irritation. If unwell seek medical attention.

Fire: Not flammable. Compatible with water.

Storage: No special conditions required.

Spillage/Disposal: Small spills may be wiped up. Larger quantities should be flushed to drain with water.
